

ROTARY CLUB of YOSEMITE NATIONAL PARK

BARBECUE LENDING AGREEMENT

1. **Rental Fee:** There is no fee required or implied for use of the BBQ. The intended purpose of the BBQ is for the use of the club's members and to benefit the community of Yosemite National Park. The barbecue must be cleaned and charcoal ashes disposed of in a safe manner before its return. Failure to return the BBQ clean and in good condition may disqualify the user(s), individual(s), or organization(s) from future use. The BBQ shall not be removed from or used outside of Yosemite National Park.
2. **Insurance Coverage:** The user(s), individual(s), and/or organization(s) are hereby notified that there is no insurance to cover the transport, use, or storage of the BBQ.

By taking possession of the BBQ, the user(s), individual(s), and/or organization(s) assume all responsibility for insurance coverage, and any loss resulting from the transportation, use, or storage of the BBQ.

The Rotary Club of Yosemite National Park, its members, Rotary International, members of Rotary International, and/or any subpart of Rotary International are held harmless from any acts or results, from the transportation, use, and/or storage of the BBQ.

3. The barbecue must be picked up the day of the function or earlier (depending on the agreed date) and returned the following day at the same location.
4. Failure to follow the conditions of this lending agreement may result in denial of future use.

I have read the above conditions and agree to the conditions set forth.
